CRUISIN' RODEO: NEW LOCATION

The biggest US-Car meeting in Italy has a **new location** this year!
The **8th edition of Cruisin' Rodeo** takes place on **July, 9th/10th** at the **Piacenza fairground**. The successful format of the meeting will remain the same but this year we will have even a big hall for the exhibition of special and outstanding US cars and for stands with clothes, parts and accessories.

Every year people arrive from all over Italy, but even from Germany, Austria, France and Switzerland to attend the meeting.

Last year we managed to break the attendance record of 451 US cars and 7.000 visitors.
