CRUISIN'
RODEO

THE LARGEST U.S. CARS MEETING IN ITALY

PRES RELEASE **15th CRUISIN' RODEO: ITALY GOES 8 CILINDERS!** **The biggest U.S. Cars meeting in Italy**

A much appreciated return at the Gudo Gambarendo lake in Buccinasco (MI) on July 14th and 15th, which has meant that many families have chosen to spend the whole WE in such a unique context, enjoying a unique gathering in Italy.

Many attractions with swimming pools, paint ball, lots of music with themed dances and Pin Up Contest.

Saturday morning the first arrivals with guests arrived on their American cars from all over Italy but also from Switzerland, France, Austria and Germany.

89 entries recorded on Saturday, to exceed 400 crews in the two days, have reconfirmed the Cruisin 'Rodeo as the largest Italian event of American cars, while the visitors were several thousand.

Year after year the constant increase in the quality of the vehicles present at the event, some very rare as the Studebecker Champion of 1950 or the Hudson Supersix Roadster of 1928 built in only 42 units.

Michele Giudici, Roberto Motta and Giorgio Manenti (Cruisin' journalists – www.cruisinlife.it) had the difficult task of choosing between perfectly original cars or customized ones, ranging from the 30s to present day, passing by the Muscle Car, Pickup, Off Road, Van, Hot Rod and Kustom Cars scene.

In addition to the commemorative plaques, the winners received prizes offered by Ma-Fra and a heartfelt thanks from the organizing staff. Always very appreciated the animation of Ma-Fra (U.S. Cars Cosmetics) with DJ set and numerous Sexy Car Wash shows, but people also enjoyed a lot of live music with The Smoking Thompson and MilanOans, interspersed with the highly anticipated and acclaimed 3rd edition of the Cruisin'N'Roll Pin Up Contest organized by Filippo Damiano "Pelù" who gathered on Sunday a dozen beautiful Pin Ups from all over the Country and also from Switzerland for a contest of beauty and sympathy, appreciated and followed by everyone.

The vehicles were displayed with meticulous care, the theme stands and the Clubs were comfortably shaded by secular trees allowing the public to enjoy an atmosphere of relax and carefree in good company.

Cruisin' Rodeo Staff would like to thank the managers of the location, that seems perfectly suitable for this event, the sponsor Ma-Fra, all the exhibitors, the numerous Car Clubs, as well as all those who, in one way or another, have contributed to the success of the event and the growth of the passion for the American Cars in Italy!

See you at the next great edition – SAVE THE DATE:
